Dear Governor Scott,

At our March meeting, **the Rivers Coalition voted to oppose HB 703.**

As you may know, the Rivers Coalition is an organization of 73 businesses, environmental and civic groups representing over 300,000 Floridians. Our mission is to fight to restore the health of the St. Lucie River and Indian River Lagoon, natural resources vital to the quality of life and economic sustainability of the Treasure Coast. We believe this bill, and any other piece of related legislation, will negatively affect our ability to achieve this mission.

Sincerely,

Leon Abood, Chairman  
Rivers Coalition
